INFORMATION ON OUR APPOINTMENTS PROCESS

- This is the first stage of our appointments process. We will write or e-mail to confirm that we have received your application form. All information will be treated confidentially.
- After we receive your application, we will usually let you know within 10 working days whether or not you are likely to be eligible to be an almshouse resident. At that stage if you appear to be eligible you may visit the almshouses by appointment.
- If you decide that you want to proceed with your application, we will need further information. One of our staff members will also need to visit you at home. Your application will then be considered by the charity.
- Hopton Gardens and St Saviour's Court are almshouses. Residents live there as beneficiaries of a charity and they do not have a tenancy. If you are unsure how this affects you, please seek advice. We may ask for evidence to support the information you have given us on this form.
